FROM WASHINGTON.

WASHINGTON, January 26.-The foreshadowing of the Louisiana Senate committee's report shows that the majority will be cut down by intimidation enough to justify the action of the Returning Board regard-

of the returns. The report may also suggest that Kellogg bold over till the Legislature is organized cabinet over his head, and a hand showed on this basis or recommend provisional itself in the act of throwing it out. The military government. The minority re- doors were closed, manifestations given, port will show that what intimidation did and then they were opened, and there sat exist is more than offset by fraud and the Professor and his assistant, with one irregularity of the Returning Board. It re- hand each free, ringing the bells and holdgards Packard's government unfavorably, and will so report specially.

ZACH. CHANDLER'S RASCALITIES. C. H. Bush, a Florida telegrapher, testified before the congressional committee that Chandler : "Bismarck should be at or near Taliabassee immediately". Chandler replied that "he had seen the President and Secretary of War, and that troops would be sent." The witness knew nothing very definite, and declined to answer whether he had communicated this before.

DAVIS WILL ACCEPT.

It is understood among the friends of Justice Davis that he will accept the senatorship. He has long been anxious to enhis successor .- Special to Baltimore Ame-

NO DOUBT OF THE PRESIDENT'S SIGNATURE.

Should the bill pass to-morrow afternoon, as contemplated, it will be sent to the President on the night of that day or on Saturday morning. As the bill involves constitutional questions, it will, under usage, be referred to the Attorney-General for examination before final Executive action. It is will interpose any objections, the bill being framed after long and mature consideration by the most distinguished jurists of both houses of Congress, and as the President today repeated that he was in favor of the will promptly become a law .- Ib.

THEIR MOTIVES. The seventeen negatives on the bill, and the reasons which influenced them, may be analyzed as follows: Eaton, the solitary the evening-viz., southern Republican, who was first a Radi-

THE PRESIDENT-MR. FERRY. It was again refterated to-day by the opmade to induce the President to hold it and looking spiritual enough in all conponents of the bill that the effort would be back. But the President, in conversation with friends to-day, expressed his warm approval on being informed that the bill had passed the Senate, and indicated that he would sign it without delay. Comment was caused by the fact that Mr. Ferry, the president of the Senate, voted twice yesterday and last night with the opponents of the bill in favor of an adjournment, and then dodged on the passage of the bill .- Ib.

JUDGE DAVIS, OF ILLINOIS. In conversation he said that he had sent word, before he had heard of his election, to some of his friends in the Illinois Legislature that he thought the best thing for them to do was to elect Judge Lawrence. [Judge Lawrence, it will be remembered, was nominated by the Republicans after the withdrawal of General Logan. He is an ex-chief justice of the Supreme Court of Illinois, and has a very favorable reputation

both as a jurist and a man.] To those who express surprise that Justice Davis should give up a life position on would add to these the apocryphal books, so the bench of the Supreme Court, at a salary the Jews insist on adding their oral law. of \$10,000 per annum, for a term of six They say that when the written law was years in the Senate at half that compensa- given to Moses, inscribed on two tables of tion, it is sufficient to say that Justice Davis has made his reputation as a jurist, he is yet law explanatory of the first, which be was in the full possession of all his faculties, mental and physical, he is worth \$2,000,000, he is ambitious, and he wants to mix actively in the political arena, and it is not unlikely that he imagines that he may do what no other senator has done before him, step and finally to all the people, each of whom from a seat in the Senate into the White

THE BALDWIN BUGABOO BEWILDERS BOSTON. Of Mr. and Mrs. Baldwin's astonishing public exposures of spiritualism, now being

given in Boston, the Transcript says: Professor Baldwin and an assistant, having been securely tied by a committee of experts, went in the cabinet, and as soon as the door was closed the performance inside began. Hands showed through the curtained apertures in the doors and above the cabinet, bells were rung, horns blown, and general uproar prevailed. Before this had subsided the order was given to open the doors, and there sat the Professor and his ing the electoral vote, but the Board's ac- assistant tied as tightly (so the committion is illegal regarding the State offices and tee reported) as when the tying was made. the Legislature. The report will hold that Mrs. Baldwin had shut the door at first, the Legislature should have been organized and now one of the committee was called by the members shown elected by the face upon to close it. As he stooped to book the lower part of one door, the other being open, a tamborine was thrown out of the ing a tin-horn to the mouth blowing it; and yet in an instant their hands were

back again, and they were tied tightly. This was an exceedingly clever trick, and was made more satisfactory by being shown to the audience and fully explained Governor Stearns telegraphed Secretary by the Professor. The next trick was the placing of handcuffs on Professor Baldwin's wrists, secured there tightly by a policeman of Station 2, who brought them with him. The Professor went in the cabinet, and the door had hardly been shut when his hands appeared above the top of the cabinet together, and when they separated widely apart came together again, the doors were opened, and out he stepped manacled as when he went in. He went in again, bringing a water-pitcher with him, gage actively in political life and put aside and in a few minutes came out again, with the more sedate robes of the court. He the pitcher, handcuffed to the round of a will not resign, however, until after the 4th chair. Then followed a full and clear ilof March, for the reason, it is said, of pre- lustration of the method by which Slade venting President Grant from nominating produced "spirit" messages upon slates, bis successor.—Special to Baltimore Amewere tied together with a handkerchief, and a rope run through the loop thus formed. the two ends being held by one of the committee, and his freeing himself from the rope, was next performed to the dclight of the audience. This trick was explained, and was quite simple when known. and yet it alone was worth the price of admission. After this the Professor went into the confidence of the community the cabinet, tied himself, borrowed a coat not apprehended that the Attorney-General from one of the committee, put it on, took it him holding his knees, and while doing so. and being confident that the Professor had not stirred, the latter disengaged his hand and touched his sitter on the head and neck, passage of the bill, considering it to be a as the spirits are supposed by believers to measure in the interests of the peace and do in the darkened cabinets. All this was late election the actual vote polled was 24,business of the country, now languishing, done in full view of the audience, and the owing to the uncertainty of the electoral light full on, and yet when between each count, it is safe to conclude that the bill act the Professor secured his hands to the the Canvassing Board changed the returns tied so tightly that the rope seemed embedded in the flesh. Following this 2,000 votes were thrown out which were

came one of the great features of the evening-viz., the clairvoyance Democrat, honest and incorruptible, but a of Mrs. Baldwin. AFFAIRS AT WASHINGTON. The Plan of Settlement Passed Ayes, 191 : Noes, 86.

WHAT AN ANALYSIS OF THE VOTE SHOWS-A UNUSUALLY LONG SESSION OF THE HOUSE-THE MEASURE TREATED FROM A PARTY SON'S VIEWS OF THE SITUATION-OPINIONS DEMOCRATIC CAUCUSES TO NOMINATE MEM-BERS.OF THE GRAND TRIBUNAL-THE GEN-TLEMEN PROMINENTLY MENTIONED IN THAT CONNECTION-THE GRANT-FERRY INTERVIEW PRONOUNCED BOGUS-THE PRESIDENT NOMINATIONS.

(From our Regular Correspondent. WASHINGTON, January 26 .- The electoral oill passed the House this afternoon-yeas. 191; nays, 86. Nearly all the negative votes were by Republicans. Sixty-five members of the House had given notice that they desired to explain their position upon the electoral bill. To give them an opportunity the House met two hours earlier today, and all other business was laid aside for the day.

In the House debates the disposition to treat the measure from a mere party view Mr. Jones said it was universally conceded was more apparent than in the Senate discussion. But there were men on both sides transferred to Democratic hands, but in of the House who rose above such consider-874, while a Republican Governor was in ations. The opposition came chiefly from power, it was admitted that absolute peace Republicans, but speeches against it were existed there, and nothing was known also made by Mills of Texas, Singleton of term, he, as Chief Justice, in the absence of of white leagues. He then sent to the Mississippi, Blackburn and Jones of Ken- a legal election; was entitled, under the

Mr. Watterson said: We may not be this commissioner was a Republican, ap upon the brink of civil war, but are upon October last, declared Lerdo elected, Iglesias, the eve of ruin of business interests, and finding his cause hopless, fled in disguise, there is a well-defined conspiracy to seat a with a few friends, to Guanajato, which perity, and they did not want any disorder President who has not been elected. We there to prevent such emigration. He then have either a civil war or discontent and spoke of Governor Drew, and said he was business prostration if that conspiracy succeeds. There will be no civil war, but there to the highest position in the State. He refer- will be four years of ruinous evils to the red to the Supreme Court, and spoke South. The Democratic party there will be of the judges as men of ability and discouraged and weakened, and when the integrity; they were Republicans, but next presidential election occurs it will not present an organized and unbroken front, which they lived. He then spoke of the ac- as it has in the last. He accepted as conclution of the Canvassing Board in regard to sive of the constitutionality of the bill the off, had one of the committee sit in front of the recent election, and read from the laws argument of Mr. Tucker, of Virginia, and

the measure as grossly violating constitu-

tional principles. Mr. Lamar said the two houses are to be present to witness the count, but they may and he will return with them at once. If refuse to witness a fraud. In joint assembly fastenings the committee found them so as to make the Republican vote 23,849 they have no legislative power, but they have power to legislate beforehand how the vote shall be counted and how disputed questions shall be determined. The bill cific States, Iglesias will go to New meets the weak point in the Constitution Orleans, and thence get into the norteastern and saves the interests of the country from which had no judicial authority and no serious embarrassments. It denies the perpower to go behind the returns of the nicious doctrine that the president of the Senate must count the vote, and ackowledges that that power rests in the two houses. If the bill be not enacted a President of one or the other party will be inaugurated by what half the people of the United States will consider a fraud and an outrage upon their rights. he must always do what Morton tells him; would return and marry her, was trickery of the Returning Board might for Defending the northern Democrats from Clayton, Conover, Dorsey, Patterson, and answered in the negative, though the a moment mislead the people, but the sober, charges made by Mills, of Texas, he said Clayton, Conover, Dorsey, Patterson, and answer of the proposer would not acknowledge her second thought would come and dispel the they did not as a party hold out false hopes to the South, but counselled them to seek a to the South, but counselled them to seek a peaceful settlement of their grievances. The responsibility of the war must rest alone upon the southern people. They fought for their rights and constitutional liberty, but had not the strength necessary to secure

Mr. Hill, of Georgia, said he gave the bill his hearty and warm approval. It is wholly constitutional, it is wise in every provision, Kentucky, Mills of Texas, and Singleton and patriotic in every purpose. He predicted that the decisions of the tribunal on every important point will be unanimous, and will be accepted by Congress and the country. Though the people of the South and it was a notable circumstance that just feel that all they have of hope, of liberty, of justice, of restoration to prosperity, depend upon the inauguration of Mr. Tilden, who they believe has been elected, yet they have tutional privilege of voting as a represent- patiently and patriotically awaited the issue of this controversy. Though they have been oppressed by unjust legislation, and the power of the Government protects were given by Republicans. Among the those who rob her, she knows that civil war rights no wrongs. Look upon her and be to-day. He could give no information.

Mr. Hill's speech was very brief, eloquent, and patriotic, and he received many congratulations; and when a few minutes after- the Governor of Arkansas for an equitable wards he received a telegram announcing adjustment of the State debt. Mr.-Watterson, in concluding his speech his election as senator from Georgia he in favor of the bill, said: The happiness was overwhelmed with hand-shaking. was overwhelmed with hand-shaking.

Mr. Townsend (Republican), of New York, made a violent and narrow-minded they will sit for the whole country, and as attack upon the Democratic party, ridiculed they discharge their full duty they will be Mr. Watterson, and said a good many amusing and exravagant things.

Nr. Knott, of Kentucky, thought there was nothing in the situation which deeverywhere will rest the issue, trusting that manded the passage of the bill, nor does he the God from whom we received our fair, believe the houses have the right to delegate their power.

When Mr. Payne had closed the debate the absolute stillness of the immense crowd prices advanced 3-16. There has since been of Mississippi only of the southern Repub- indicated the extent of interest in the resuit of the vote about to be taken.

morrow to determine whom they will nominate for members of the grand tribunal, THE CASE AT LAST DISPOSED OF IN THE PAL- and the Democrats will have a conference Monday for the same purpose.

cial position of major and chief of police. Judge R. B. Carpenter, of South Carolina, has been here several days writing his opinions in some cases deeply affecting the position of parties in that State. He leaves to-night, and will render decisions early

The Mexican Revolution. REVIEW OF THE SITUATION-LERDO'S CAUSE

SAN FRANCISCO, January 26 .- Ex-President of Mexico Iglesias states that when Lerdo carried the presidential election in July last in defiance of the Mexican Constitution, which limits the incumbent to one tucky, Vance of Ohio (Democrate), who Constitution, to succeed to the presidency. He put himself in communication with General Diaz, who agreed to assist him to his rights. After Congress, on the 26th of had declared in his favor. On November 16th last Diaz, with seven

or eight thousand volunteers, defeated three thousand regular troops at Tecoca, ending Lerdo's rule. The victory converted Diaz from a partisan to an aspirant. The army followed him in a body, leaving Iglesias without support. On December 21st Diaz had Iglesias brought before him for conference, and declared his intention of following up his revolutionary course and reap the benefit of his victories. Iglesias and party then struck out for the Pacific coast, reaching Manzillo on January 18th. He says, as regards his future intentions, he is determined to make every endeavor to Mr. Mills (Democrat), of Texas, demounced secure his constitutional rights. The only two Mexican war vessels in the Pacific when he last heard from them were both pledged to his cause. If still true to him they will arrive here within two weeks, they fail to come he will within twenty days leave for either Guayamas or Acapulcoprobably the latter, believing that General Alberez will hold that city true to him. If he cannot obtain foot-hold in any of the Pa-States, which favor his cause. He says Lerdo, after the battle of Tecoca, found his cause lost, and with a party of fifteen, in-Escobedo, after many dangers reached Signartaigo, in Guerror. Here the party were taken prisoners by General Alberez, a partisan of Iglesias; but were allowed to escape, as nothing could be grined by holding them. Lerdo and the rest of the party on the 26th of December embarked on a German merchant-vessel bound to Panama. Lerdo declared to General Alberez that he considered his cause hopeless, and would not return to Mexico in, and the remainder sold at prices ranging from except as a private citizen.
